

“Cool” New Range of European Safety Latches & Adjustable Cam Rise Hinges

Check out our new range of European Latches and Adjustable Cam Rise Hinges in the Refrigeration Hardware Section of our website that have been developed by Fermod. Fermod have been designing, manufacturing and selling hardware and accessories for the refrigeration industry and other products that require positive sealing for standard and negative temperatures since 1934 and we are proud to announce that we are now the distributor of their quality products in Australia.

Latches

Very **simple to install** as the fixing bolts go through the entire thickness of the panel and attach to the inside release mechanism **saving time and money on door construction**. Also feature invisible anti-tamperproof crossing screws

- F421** Cool Room Latch Set with key lock (pictured)
- F521** Safety Latch with internal release and key lock
- F5211** Adjustable Strike, 27-43mm offset
- F5212** Adjustable Strike, 44-60mm offset
- F5213** Adjustable Strike, 61-77mm offset
- F521** SHIM Strike Packer, 17mm thick

Adjustable Cam Rise Hinges

Suitable for Cool Rooms and especially ideal for Freezers due to the **anti-freeze internal release design**. Also feature symmetrical, invisible and tamperproof fixing screws and are interchangeable for left or right hand doors.
